**Please contact us for an individualized cost estimate for your school.**

We realize that you might need a hand putting all of this together to come up with a cost estimate that reflects the particular needs of your school. We are very happy to help! We would be glad to calculate estimated costs based on scenarios you provide including the overall number of classrooms, and the number of classrooms in each grade level that may be using Peace of Mind. Please contact Cheryl at [TeachPeaceofMind@gmail.com](mailto:TeachPeaceofMind@gmail.com).

**Discounts for Title I schools**

Modest grants are available to Title I schools purchasing the *Peace of Mind Curriculum* for the first time in 2018. The application process is very straightforward, and Peace of Mind offers at 30% discount on Peace of Mind materials to all grantees. For more information, please visit <http://www.teachpeaceofmind.com/support-for-title-i-schools/>, or contact Cheryl for more information at <mailto:TeachPeaceofMind@gmail.com>.

**We thank you for your interest and look forward to speaking with you.**

The mission of **Peace of Mind** is to create kinder, more inclusive schools, reducing bullying and increasing student engagement, by helping students:

- Prepare themselves to learn: Students calm themselves and focus their attention.
- Form healthy relationships: Students develop the habits of kindness and compassion.
- Solve conflicts skillfully: Students become peacemakers who stand up to bullying
